ALL INFORMATION SUBJECT TO CHANGE WITHOUT NOTICE

Paddock Access/Garages: To ensure multi-car teams are not separated, we are assigning garages and organizing parking for June 4.

The paddock will be open to DMTD participants on Sunday, June 4 starting at 6pm and garages will be closed at 9pm each night. All transporters will be staged at the WGI Registration Building (top of the hill by Gate 4A). Transporter drivers will sign the track waiver and be issued a track wristband. **Rigs only, no cars**, will leave the registration area in small groups (to avoid stopping on public roads) and proceed through Gate 2 to the garage area to park. Rigs will enter the garage area on the end where "The Little Speed Shop" is (see attached map). We will have 2 lanes as we enter the Garage area and begin with Garage 1 ending with Garage 14 in the left lane, Garage 30 ending with Garage 17 in the right lane. See the attached map, to follow for order of team parking load in. The garages will close at 9pm each night.

NOTE: Passenger cars, support trucks, etc. will be allowed access through Gate 2 Security only after all rigs are parked.

PIT LANE: Will be open for teams wishing to set up equipment from load-in on Sunday evening.

IF YOUR RIG IS NOT READY TO LOAD IN ON TIME YOU MAY NOT BE ABLE TO PARK NEAR YOUR GARAGE.

REGISTRATION: Will be held in the Classroom, Great Room on the second floor of the Media Center, on Monday morning from 7:00am and will close **promptly** at 7:55am. You will be required to sign our Release and Waiver of Liability and Indemnity Agreement and will then be issued an event windshield sticker and a driver wristband. **NOTE:** wristbands will not be issued to any unregistered drivers.

DRIVER MEETING: There will be a **MANDATORY DRIVER MEETING** following registration in the Classroom, Great Room on Monday at 8:00am.

HOURS: The track will be hot from 8:30am to 4:30pm, with a break for lunch from 12:00pm to 1:00pm each day.
